for CROYDON

Advocacy for people with a learning disability who are living in the London Borough of Croydon

who is the project for?

- people over **18**
- people with a **learning disability**
- people who live in **the London Borough of Croydon**
- people who lead **independent** lives
- people who get little or no support from **services**

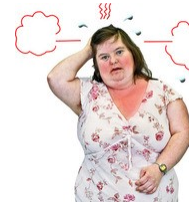

advocacy is about

- making sure **people listen** to what you say
- having someone on your side to **speak up** for you
- helping you find **information** that you can understand

how can an advocate help me?

• we can help you if you are having trouble with **a particular issue**. For example, housing, employment or finance

• we can go to **meetings** about your issue with you and help you understand

• we can **signpost** you to other services that might be able to help you

an advocate does not

X

• give advice

X

• do things for you

X

• be your friend
